**Please Note:** This guide is intended to provide you with a brief summary of your benefits. We have tried to ensure the accuracy of these materials, but if there is any discrepancy between the benefits discussed in this guide and the official plan documents, the official plan documents will rule. Actual benefits will be paid in accordance with the carrier contracts and any amendments to those contracts in place at the time of the claim. Please refer to the carrier booklets for details regarding your coverage, including benefit limitations and exclusions. Henry Ford College reserves the right to amend, modify or terminate any plan at any time and in any manner.

# YOUR BENEFIT GUIDE

Welcome! This guide is designed to provide you with an overview of your benefit options. You have the ability under the Henry Ford College benefit plan to customize your benefits to meet the needs of you and your family.

Which benefits are right for you and your family? The choice you make can impact your future. To help you with this important decision, we are providing this guide – you'll find information about our medical and dental plans, vision plan and more inside. This is important benefit information for you and your family. Please take the time to read this information carefully to ensure you are well acquainted with your benefit options.

## ANNUAL ENROLLMENT

There is an annual enrollment period held each spring for the benefit programs that Henry Ford College offers. During this time, you can review and revise your elections as necessary to best meet the needs of your family.

Enrollment is conducted using BenXpress, Henry Ford College's online enrollment system.

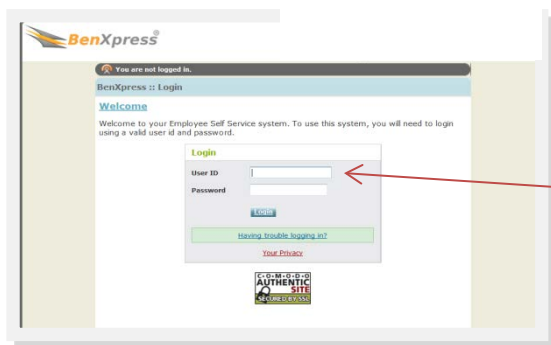

**When you are ready to enroll, please go to [www.benxpress.com/hfc](http://www.benxpress.com/hfc).** The first time that you login your User ID will be the initial letter of your first name and your entire last name. (For example, if your name is John Smith, your User ID is jsmith.) Your Password will be the last 6 digits of your social security number. You will have the opportunity to change your Password after your initial login.

BenXpress is available 24 hours a day, 7 days a week during the annual enrollment period. **Annual enrollment begins at 8:00 A.M. on Monday, November 13, 2017 and closes at 11:59 P.M. on Sunday, November 19, 2017.** You may log into the system and make changes as often as you choose during this time. The last changes you make before the end of the enrollment period will be your final elections.

## INITIAL ELIGIBILITY PERIOD

Newly eligible employees will become a participant in the Plan on the first day of the month following 60 days of employment.

Enrollment is conducted using BenXpress. Henry Ford College will advise you of the specific period of time in which you must make your initial benefit elections.

Login to:  
[www.benxpress.com/hfc](http://www.benxpress.com/hfc)

User ID: First initial of your first name and last name  
Password: Last 6 digits of your social security number

***You may login to BenXpress anytime during the year to view your enrollment information and benefit plan documents, change your beneficiaries and more!***

# MAKING MID-YEAR CHANGES

We sponsor a program that allows you to pay for certain benefits using pre-tax dollars. With this program, contributions are deducted from your paycheck before federal, state, and Social Security taxes are withheld. As a result, you reduce your taxable income and take home more money. How much you save in taxes will vary depending on where you live and on your own personal tax situation.

These programs are regulated by the Internal Revenue Service (IRS). The IRS requires you to make your pre-tax elections before the start of the plan year (January 1 – December 31). The IRS permits you to change your pre-tax contribution amount mid-year only if you have a change in status, which includes the following:

- Birth, placement for adoption, or adoption of a child, or being subject to a Qualified Medical Child Support Order which orders you to provide medical coverage for a child
- Marriage, legal separation, annulment, or divorce
- Death of a dependent
- A change in your home address if it causes you to lose eligibility for coverage (this can happen when someone enrolls with an HMO, and then moves out of the HMO's service area)
- A change in employment status if it affects eligibility under the plan (i.e. full-time to part-time)
- A change in election that is on account of, and corresponds with, a change made under another employer plan
- A dependent satisfying, or ceasing to satisfy, eligibility requirements under the health care plan
- The employee or dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility or the employee or dependent becomes eligible for premium assistance subsidy under Medicaid or CHIP

The change you make must be consistent with the change in status. For example, if you get married, you may add your new spouse to your coverage. Or if your spouse's employment terminates and she/he loses medical coverage through their employer, you may elect coverage for yourself and your spouse under our program. Remember that you need to request the change through the Office of Human Resources within 30 days of the event or within 60 days for a loss of Medicaid or Children's Health Insurance Program (CHIP) coverage or when eligibility for premium assistance under Medicaid or CHIP is determined. If you do not notify the Office of Human Resources within the specified timeframe you must wait until the next annual benefit period to make a change.

*These rules relate to the program allowing you to pay for certain benefits using pre-tax dollars. Please review the medical booklet and other vendor documents for information about when those programs allow you to add or drop coverage, add or drop dependents, and make other changes to your benefit coverage, as the rules for those programs may differ from the pre-tax program.*

## ELIGIBILITY

**You are eligible** to participate in the benefit programs if you meet the criteria defined in the Support Staff Association union contract.

Your eligible **dependents** include:

- Your spouse through legal marriage
- Dependent children until the end of the month in which they reach age 26. They may remain covered to any age if they are totally and permanently disabled by either a physical or mental condition subject to certain criteria.
- Eligible children include:
  - Natural Children
  - Step-Children
  - Foster Children
  - Children for whom you are the Legal Guardian
  - Adopted Children
  - Children for whom you are required to provide coverage pursuant to a Court Order, including those subject to a Qualified Medical Child Support Order

## DEPENDENT DOCUMENTATION

When you first enroll in or if you change coverage mid-year due to a qualified change in family status event, you are required to provide documentation substantiating the eligibility of any dependents within 30 days from the enrollment or change. Please refer to the list below for a list of acceptable forms of documentation. Copies should be submitted, not originals.

Approved dependent documentation includes:

- **Children under age 26:** Birth Certificate, Adoption Papers, Guardianship Document or Court Order.
- **Children over age 26 (disabled):** Contact the Office of Human Resources for required documentation.
- **Spouse:** Marriage Certificate and first page of IRS Income Tax Filing.

Also, if you or your dependents are enrolled in Medicare, please provide a copy of your Medicare card.

# MEDICAL PLAN OPTIONS

Henry Ford College offers several medical plan options to eligible employees. Each of the options offers a comprehensive level of coverage that will protect you and your family from financial hardship should you incur substantial bills as a result of an illness or accident. If you and your family have medical plan coverage elsewhere, for example, through your spouse's employer, you can choose to waive out of the medical coverage.

You may choose among the following medical plan options:

## MEDICAL PLAN OPTIONS

1. Blue Cross Blue Shield (BCBSM) Simply Blue PPO High Deductible Health Plan (HDHP)
2. Blue Care Network (BCN) HMO
3. Health Alliance Plan (HAP) HMO
4. No Coverage (waiver)

## #1 BCBSM SIMPLY BLUE PPO (HDHP)

The "PPO" stands for Preferred Provider Organization. The Blue Cross Blue Shield (BCBSM) Simply Blue PPO (HDHP) option offers you comprehensive medical care coverage. You have the highest level of benefits and lowest out-of-pocket expenses when you receive care from BCBSM PPO physicians and facilities anywhere across the country. You don't need to select a Primary Care Physician (PCP) and you can see any BCBSM PPO provider you choose, even a specialist. There are no referrals for hospital, outpatient or ancillary services, and no claim forms when you receive care from BCBSM PPO providers. You can choose to see non-network providers for care, but your benefits will be reduced and your out-of-pocket costs will be higher. You may also be required to pay for services up front and file a claim for reimbursement.

If you choose a non-network provider, there are two types of providers you may encounter: "participating" and "non-participating" providers. Participating providers have signed agreements with BCBSM to accept the BCBSM approved amount as payment in full for covered services. When you use participating providers, you limit your out-of-pocket costs to deductibles, copayments, coinsurances or non-covered services. Non-participating providers have not signed agreements with BCBSM. This means they may or may not choose to accept the BCBSM approved payment as payment in full. If you receive services from a non-participating provider, you may be responsible for the difference between the BCBSM payment and the provider's charges. For example, if your non-participating provider charges \$100 for services and the BCBSM approved amount is \$80, you will be responsible for the \$20 difference, in addition to any deductible, copayment or coinsurance that applies.

To find a BCBSM PPO provider, go to [www.bcbsm.com](http://www.bcbsm.com) and select "Find a Doctor." When you are asked to choose a plan, select "PPO Plans." You can also call **BlueCard Access®** at **1-800-810-BLUE (2583)** for the names and addresses of doctors and hospitals near you.

## How the High Deductible Health Plan Works

As the name implies, this plan carries a high deductible and you need to meet the deductible before the plan begins paying benefits. This applies to all services, including prescription drugs and office visits. However, the deductible does not apply to in-network preventative care.

## #2 BCN HMO

Blue Care Network (BCN) is an HMO plan that provides a high level of benefits through one of the largest networks in Southeast Michigan.

When you enroll in BCN, you need to select a Primary Care Physician (PCP) from BCN's list of providers; otherwise BCN will select one for you. You and each of your family members may choose a separate Primary Care Physician (PCP). Your Primary Care Physician (PCP) will be responsible for coordinating all of your medical care. The Primary Care Physician (PCP) will either perform the necessary service or refer you to a specialist. If you do not use your Primary Care Physician (PCP) or have his/her referral for the service, you will not have coverage under this plan (except for life threatening illnesses or injuries). For obstetric or gynecological care, you do not need prior authorization from BCN or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health professional in the network who specializes in obstetrics or gynecology.

### TO FIND A BCN HMO PROVIDER:

To find a BCN HMO provider, go to [www.bcbsm.com](http://www.bcbsm.com) and select "Find a Doctor."

When you are asked to choose a plan, select "Blue Care Network (HMO)."

You can also call **BCN Member Services** at **1-800-662-6667** for the names and addresses of doctors and hospitals near you.

## #3 HAP HMO

HMO stands for “Health Maintenance Organization”. This plan generally offers comprehensive medical care services. Most services are covered in full, although some care may require a copayment. There are no claim forms to complete.

When you enroll in HAP, you must select and use a Primary Care Physician (PCP), who is your first line of defense and the person to refer to in time of medical needs (except for an emergency). A PCP may be an internist, family practitioner, general practitioner, or pediatrician.

In some cases, your PCP may refer you to another provider in the network for treatment, which will be covered by your HMO. In order to see a specialist, you must receive a referral from your PCP. Please note, in most cases, your PCP will refer you to a specialist within the same hospital system as your PCP.

Females may obtain annual well-woman examinations and routine obstetrical and gynecological services from a network OB/GYN without a referral from their PCP.

You may change your PCP at any time simply by calling the Member Services Department. HAP has a program called “Self Direct”. It allows HAP members assigned to a Henry Ford Medical Group (HFMG) PCP to self-refer to these HFMG specialists: Audiology, Dermatology, Cardiology (Adults), Gastroenterology (Adults), Ophthalmology, Obstetrics/ Gynecology, and Otorhinolaryngology (ENT). You may refer to the HAP website for more information.

### **SELECTING YOUR HAP PRIMARY CARE PHYSICIAN (PCP)**

Your PCP is the HAP-affiliated physician you select to coordinate your medical care. A PCP may be a family practitioner, internist or pediatrician. As an HMO member, you must select a PCP. Once you select a PCP, you must see him or her for all routine care and any other specialty services for which you received direction from him/her.

The HAP delivery system has two models – this is important to understand if you want to utilize doctors at multiple affiliated hospital locations:

**Integrated delivery system model:** This model consists of employed or closely affiliated providers utilizing the Henry Ford Health System (HFHS), Genesis, and ACCESS integrated system of care. This refers to electronics records, e-prescribing and e-visits. An integrated delivery system may also have centralized scheduling. You cannot seek services outside of these four networks.

**Open delivery system model:** This model consists of physicians and providers that have admitting privileges at more than one facility. Within this model, providers may have multiple relationships for directing medically necessary care.

Both systems have benefits in terms of coordination of care and ease of seeing providers when you need medically necessary services. Your choice of primary care physician (PCP) determines which system model you will receive services through.

To Find a HAP HMO Provider, go to **www.hap.org** and select the “Find a Doctor/Facility” tab. You can also call **HAP Member Services** at **1-800-422-4641** for the names and addresses of doctors and hospitals near you.

## #4 NO COVERAGE (MEDICAL WAIVER PROGRAM)

If you have medical coverage from another source, you may decide that the No Coverage option is right for you. If you are declining enrollment for yourself and your dependents because of other medical coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends.

To be eligible for the opt-out payment:

- You are required to provide proof of alternative coverage,
- All members of your Tax Family<sup>1</sup> will have to have Minimum Essential Coverage for the entire Plan year (does not include coverage purchased in the individual market, whether or not obtained through the Marketplace); and
- Attestation and proof of alternative coverage is required annually to continue receiving the opt-out payment.

The opt-out payment is not payable if we know or have reason to know that you or any member of your Tax Family does not or will not have the required alternative coverage.

<sup>1</sup>Tax Family – includes the employee and all other individuals for whom the employee reasonably expects to claim a personal exemption deduction for the taxable year or years covered by the opt-out time period.

**If you choose to participate in the Medical Waiver Program (the No Coverage option), you must have proof of other insurance on file with the Human Resources Office within 30 days of enrollment.** Failure to provide proof of other insurance will result in your ineligibility to receive the opt-out payment in June of each year.

The annual opt out amounts are:

- **2 Person:** \$1,600
- **Family:** \$2,000

Opt-out payments are subject to Federal and State income taxation.

## MEDICAL PREMIUM CONTRIBUTIONS

The following chart shows the bi-weekly pre-tax contribution if you choose to enroll in the BCBSM PPO (HDHP), BCN HMO or HAP HMO medical plan options.

Bi-Weekly Pre-Tax Premium Contributions Effective January 1, 2018 – December 31, 2018			
Tier	BCBSM PPO (HDHP)	BCN HMO	HAP HMO
1 Person	\$1.07	\$34.75	\$67.97
2 Person	\$2.60	\$79.94	\$156.35
Family	\$3.24	\$90.35	\$176.73

# VOLUNTARY CONSUMERISM CARD/TELADOC

Henry Ford College is pleased to offer you the opportunity to elect the Consumerism Card by New Benefits. Henry Ford College will deduct the after-tax premiums for the Consumerism Card and submit the payment to New Benefits on your behalf. If you elect to enroll in the Consumerism Card, reference the exciting new benefits in the membership booklet that will be mailed to your home, call the number on the back of your ID card (1-800-800-7616) or log on to [www.MyMemberPortal.com](http://www.MyMemberPortal.com).

This card provides you access to 2 benefits:

## 1) Doctors by phone/video

### How does it work?

You wake up one morning with sudden cold-like symptoms: stuffy nose, cough, congestion. You have trouble getting an appointment with your existing doctor and you don't want to miss time at work by sitting in an urgent care or ER waiting room.

Simply log in to your account or call Teladoc to request a phone or online video consult with a U.S. board-certified doctor or pediatrician. If a prescription is necessary, it's sent to the pharmacy of your choice.

### Highlights:

- 24/7/365 access to a doctor online or by phone
- Fast treatment—Teladoc doctors respond within 24 minutes, on average
- Save money by avoiding expensive urgent care or ER visits—**\$0 consultation fee!**
- Teladoc treats conditions like:
  - ✓ Sinus problems
  - ✓ Allergies
  - ✓ Urinary tract Infection
  - ✓ Poison Ivy
  - ✓ Pink eye
  - ✓ Cold and flu

## 2) Access to discounted prescription, dental, vision and hearing aid services

### How does it work?

Do you have a prescription not covered by insurance? Have you reached your dental or vision plan maximum? Do you need cosmetic dentistry not covered by your dental plan? Present your Consumerism Card to the provider to see if you might be eligible for valuable discount savings!

### Highlights:

- Keep in mind that your membership is NOT insurance—it is a simple and easy to use discount membership
- 10% to 85% off most medications at a participating pharmacy
- 15% to 50% savings per visit, in most instances, on services such as cleanings, x-rays, fillings, root canals, and crowns
- 10% to 60% off glasses, contacts, laser surgery, exams and even designer eyewear

## **DENTAL PLAN**

You have the option to enroll in Delta Dental PPO coverage and gain access to the nation's largest network of participating dentists. You will have the freedom to visit any dentist for services; however, you will save money on services if you use a participating provider. Nonparticipating Dentists are reimbursed at usual and customary rates, but due to their network nonparticipation, they have the right to require you to pay the difference between Delta's payment and the total charges billed. PPO and Premier Dentists may not bill above the approved amount.

Contact Delta Dental to find a participating dentist.

A summary of the dental coverage can be found in the back of this guide.

## **VISION PLAN**

Regular eye exams are essential. They can assist in the early detection of glaucoma, diabetes, and cataracts. You have the option to enroll in the vision plan through Superior Vision. You will receive maximum benefits when you receive care from an In-Network provider. To find an In-Network provider near you, contact Superior Vision.

A summary of the vision coverage can be found in the back of this guide.

## BASIC LIFE AND AD&D

Henry Ford Colleges provides you with basic life and accidental death and dismemberment insurance at no cost to you. A benefit of \$25,000 (regular full-time employees) or \$15,000 (all other employees) will be paid to your beneficiary in the event of your death. If your death is deemed accidental, an accidental death and dismemberment (AD&D) benefit, equal to the amount of your life insurance, is paid to your beneficiary. In addition, a portion of the AD&D benefit will be paid to you if you suffer a loss under the dismemberment portion of the policy (such as the loss of a limb or loss of eyesight). Age reductions, benefit limitations and exclusions apply. Please see the Liberty Mutual coverage booklet for more details.

Note that employees who work four (4) hours or less per day are not eligible for this basic life and accidental death and dismemberment insurance.

## OPTIONAL LIFE

You may purchase additional Life coverage for yourself, your eligible spouse, and dependent children. The cost of this coverage is payroll deducted in after-tax dollars. Election amounts above the Guaranteed Issue amounts and any coverage applied for after your initial eligibility period will require evidence of insurability (proof of good health). This means you'll have to answer a few questions about your health and lifestyle and, in some cases, you may be asked to have a physical exam. Amounts of coverage that are subject to the evidence of insurability rules are not effective until approved by Liberty Mutual.

Optional Life Coverage Options	
<b>Employee Life</b>	<p>Elect in increments of \$10,000 to a maximum of the lesser of 5x earnings or \$500,000</p> <ul style="list-style-type: none"> <li>▪ If you are enrolling within 31 days of your first day of eligibility (e.g. as a new hire), you are guaranteed coverage up to \$150,000 (the guaranteed issue amount)</li> <li>▪ Coverage amounts applied for over the guaranteed issue amount will require evidence of insurability (proof of good health)</li> <li>▪ If you are currently enrolled, you may increase coverage up to the guaranteed issue amount during our annual enrollment period without providing evidence of insurability</li> <li>▪ If you waived coverage during your initial eligibility period, you can apply for coverage during our annual enrollment period, but it will require evidence of insurability</li> </ul>
<b>Spouse Life</b>	<p>Elect in increments of \$5,000 to a maximum of \$500,000, not to exceed 100% of the Employee's Coverage, Employee Life must be elected</p> <ul style="list-style-type: none"> <li>▪ If you are enrolling within 31 days of your first day of eligibility, you are guaranteed coverage up to \$25,000 (the guaranteed issue amount)</li> <li>▪ Coverage amounts applied for over the guaranteed issue amount will require evidence of insurability (proof of good health)</li> <li>▪ If you are currently enrolled, you may increase coverage up to the guaranteed issue amount during our annual enrollment period without providing evidence of insurability</li> <li>▪ If you waived coverage during your initial eligibility period, you can apply for coverage during our annual enrollment period, but it will require evidence of insurability</li> </ul>
<b>Dependent Child(ren) Life</b>	<p>Elect in increments of \$2,000 to a maximum of \$10,000, Employee Life must be elected</p> <ul style="list-style-type: none"> <li>▪ Evidence of insurability is not required for Dependent Child(ren) Life</li> </ul>

*\*Life benefits reduce at age 70. Coverage effective dates and increases in coverage may be delayed if you are disabled on the date coverage is scheduled to take effect. Other limitations and exclusions apply. Please review your Liberty Mutual booklet for more details.*

## LONG TERM DISABILITY

Henry Ford College provides you with long term disability (LTD) coverage at no cost to you. A monthly benefit of 60% of earnings up to a monthly maximum of \$2,500 is paid if you become disabled and cannot work for an extended period of time because of a non-work-related injury or sickness. Benefits begin after 180 days of injury or sickness. Some benefit limitations and exclusions apply. Please see the Liberty Mutual coverage booklet for more details.

## EMPLOYEE ASSISTANCE PROGRAM (EAP)

You have access to the comprehensive Employee Assistance Program through Liberty Mutual called MyLibertyAssist. The EAP is free, 100% confidential and available to help you and your family members manage work/life issues and so much more. You have unlimited access to consultants by telephone, resources and tools online and up to three face-to-face visits with counselors for help with a short-term problem. Here are just some of the services you may receive:

- **Dependent Care:** Assistance with child care, elder care, adoption and education
- **Financial Issues:** Information on credit, debt, educational material and one free telephonic advice session
- **Legal Issues:** Legal advice by telephone and assistance with document preparation, divorce and separation, real estate and civil matters
- **Other Work/Life Issues:** Assistance with marital and family, personal, alcohol and drug abuse and stress and anger issues

You may access a variety of services at the MyLibertyAssist EAP website. Or if you would like to talk to a consultant for assistance with a particular issue, you can call them anytime 24/7. Again, this service is free and completely confidential.

## WORLDWIDE TRAVEL ASSISTANCE PROGRAM

You also have 24/7/365 access to travel assistance through UnitedHealthcare Global and Liberty Mutual. Assistance is available to you when you are 100 or more miles away from home. Below are the types of services available:

- **Worldwide destination intelligence:** Get weather, currency, culture, embassy, and immunization and vaccination information
- **Travel:** Receive assistance with lost passports and credit cards, ticket replacement, emergency messages, emergency travel arrangements, translation, legal referral, and emergency cash advances
- **Medical evacuation and repatriation:** Get assistance with emergency medical evacuation, transportation to join a patient, transportation home for unattended minor children, and repatriation of mortal remains
- **Security and political evacuation:** Obtain assistance with security intelligence and evacuation arrangements in the event of a threatening political or security situation

Travel assistance services are available via toll-free or collect call telephone numbers that connect directly to UnitedHealthcare Global's Emergency Response Center.

# FLEXIBLE SPENDING ACCOUNT (FSA) PROGRAM

Want to stretch your income, reduce costs and pay less in taxes? How? By enrolling in the Flexible Spending Account (FSA) Program administered by Discovery Benefits. You may choose to participate in the Health Care Flexible Spending Account or the Dependent Care Flexible Spending Account, or both depending upon your individual needs.

## HEALTH CARE FSA

This account allows you to set aside **pretax** money from each paycheck to pay for eligible out-of-pocket health care expenses (not covered by your medical, dental or vision insurance) that you and your dependents incur throughout the plan year. You may participate in the Health Care FSA even if you do not participate in our medical, dental and/or vision programs.

### Eligible health care expenses may include:

- Office visit and prescription drug co-payments
- Deductibles
- Co-insurance
- Expenses not covered through your medical plan
- Out-of-pocket dental, vision or hearing related expenses

### Ineligible health care expenses may include:

- Insurance premiums for employer-sponsored benefits deducted from your paycheck on a pre-tax basis
- If you itemize certain medical expenses on your income tax returns, those expenses cannot be submitted for reimbursement under this plan

Not a bad deal at all. By taking advantage of this benefit, you can stretch the money available for health care expenses and reduce your federal income and social security taxes — and depending on where you live, your state and local income taxes as well. The maximum annual election for the Health Care FSA is \$2,650.

**If you enroll in the Blue Cross Blue Shield (BCBSM) Simply Blue PPO (HDHP), you may enroll in the Limited Purpose Health Care FSA.** You can reimburse yourself for out-of-pocket dental and vision expenses with the Limited Purpose Health Care FSA. Medical and prescription drug expenses aren't eligible under the Limited Purpose plan.

## DEPENDENT CARE FSA

To decide whether a Dependent Care FSA is right for you, determine if you will incur eligible expenses. Generally, day care, nursery school, after-school care, elder care and companion service costs that allow you (and your spouse, if applicable) to work or attend school full-time are eligible expenses.

Your dependent care expenses must be for qualified individuals, including:

- Your dependent child under the age of 13 who lives with you for more than half the year
- Your spouse or other tax dependent who is physically or mentally incapable of self-care and lives with you for more than half the year

By contributing to a Dependent Care FSA through payroll deduction, you are able to pay for these eligible dependent care expenses with **pretax** dollars. The maximum annual election for the Dependent Care FSA is \$5,000.

# HEALTH SAVINGS ACCOUNT (HSA)

The Health Savings Account is available to employees enrolled in the Blue Cross Blue Shield (BCBSM) Simply Blue PPO (HDHP).

To be eligible to contribute to a Health Savings Account, you cannot be covered by another health plan. This includes a Health Care Flexible Spending Account (unless it is a Limited Health Care Flexible Spending Account) and any health plan that does not qualify as a “high deductible health plan.”

## What is a Health Savings Account?

A Health Savings Account is an interest bearing account that gives you a way to pay for current health care expenses (such as deductible and coinsurance) or to save for future health care expenses. A Health Savings Account is owned by you and is portable from employer to employer. The balance rolls over from year to year and may be used for future health care expenses during active employment or retirement.

You can use the money in your Health Savings Account to pay for medical expenses for yourself, your spouse and tax dependents. With a Health Savings Account, you do not have to submit a claim with receipts. You simply pay for eligible expenses with your HSA debit card or set up an online payment that is sent directly to the provider or as a reimbursement to you.

## More About Health Savings Accounts

- The maximum annual contribution for 2018 is \$3,450 Single/\$6,900 Family
- Individuals age 55 or older (and not enrolled in Medicare) may contribute an additional amount referred to as a catch-up contribution. The maximum annual catch-up contribution is \$1,000.
- The money in your Health Savings Account can be withdrawn on a taxable basis for reasons other than a medical expense. The distribution is considered taxable income and is subject to a 20% penalty. Once you turn 65, or become disabled and/or enroll in Medicare, any distribution from your Health Savings Account for non-qualified medical expenses is considered taxable income but will not be subject to the 20% penalty.
- Once you turn 65, or become disabled and/or enroll in Medicare, you can continue to use funds from your Health Savings Account. However, after age 65, you will no longer be able to contribute money to it.
- It is your responsibility to report Health Savings Account activity on your tax return, including contributions to and distributions from your Health Savings Account during the year. You will need to maintain records of medical expenses paid for with your HSA funds, so keep your receipts in a safe place.
- For more info on Health Savings Accounts, go to [healthequity.com](http://healthequity.com).

## Top Reasons to Enroll in an HSA

- ✓ **HSAs triple your savings.** 1) Contributions aren't taxed; 2) Your earnings and growth aren't taxed and 3) Withdrawals to pay for medical care are tax free too.
- ✓ **The money in your account is accessible.** You get a debit card backed by Visa, and by swiping the card at your doctor's office or pharmacy, you withdraw money from your account. Or you can request a disbursement from your HSA. Either way, it's a breeze.
- ✓ **There's no “use it or lose it” rule.** HSAs are designed to follow you into retirement. So the money rolls over year after year.

- 
- ✓ **Like your 401(k), HSAs grow with time.** You earn interest on the money in your HSA, and better yet, can invest amounts over \$2,000 in mutual funds.
  - ✓ **You own it. You control it.** No matter where you go or what you do, you can take your HSA with you.

## BENEFIT SUMMARIES

**Reminder:** This guide is intended to provide you with a brief summary of your benefits. We have tried to ensure the accuracy of these materials, but if there is any discrepancy between the benefits discussed in this guide and the official plan documents, the official plan documents will rule. Actual benefits will be paid in accordance with the carrier contracts and any amendments to those contracts in place at the time of the claim. Please refer to the carrier booklets for details regarding your coverage, including benefit limitations and exclusions. Henry Ford College reserves the right to amend, modify or terminate any plan at any time and in any manner.
